Marvel Comics, United States, 2019. Paperback. Condition: New. Matt Horak (illustrator). Language: English. Brand new Book. What dark technology from the secret recesses of S.H.I.E.L.D. could power an army of LMD-eadpools? It's a blast from the past -meanwhile, in the future, Old Man Parker makes a decision that alters our present! The Master Matrix is unearthed, and at the heart of its history are Mary and Richard Parker, A.K.A. the Amazing Spider-Parents! Just when you thought you could trust that two people were without blemish, Deadpool somehow ruins them, too. But cross your fingers that the same won't be true of the Master Matrix itself. It might just be the most powerful android on Earth, and now it needs someone to teach it how to be human? Time for Spidey and Deadpool to play "My Two Super-Dads"! What could go wrong? COLLECTING: SPIDER-MAN/DEADPOOL 40-45.
